

# My Hobby: Programming and Web Development

**Programming and web development** are my passions. I love coding and creating *innovative web applications*.

## Why I Love Coding

Coding gives me the power to bring ideas to life and solve real-world problems.

## My Favorite Programming Languages

- JavaScript
- Python
- HTML & CSS

## Programming Tools I Use

Tool	Use
VS Code:	Code Editor
Git:	Version Control
GitHub:	Code Repository

## Learn More About Coding

Check out [W3Schools](#) for great programming tutorials.
